

Quest Employment Solutions Worker Fee Mandate

Please complete this form if you wish to instruct Quest Employment to make payments to third parties directly from your net pay each week, in relation fees for participation in Quest's Club Quest Scheme, and/or any additional PPE issued, and/or any transport used.

The Club Quest Scheme offers a benefits package including personal accident insurance which will provide you with essential financial support and compensation in the instance of a work-related accident. More information has been provided and is available to you in the Worker Hand Booklet.

Mandate

To my employer:

I confirm that I am a member of Quest's Club Quest Scheme, and as and when, I opt to utilise additional third party services that Quest Employment may assist me in facilitating, upon my request (such as transport, additional/optional PPE), this mandate is my instruction to you to pay fees due, in relation to the Club Quest Scheme, transport and PPE, from me to Quest Employment who where applicable will pass this on to the third party, directly from my net pay on a weekly basis before payments are made to me.

Information regarding the values will be provided to you each week by Quest Employment and they will be acting as a payment collection agent for the third parties providing said services.
