Transport Service Cost Outline & Authorisation

- Transport is optional, not compulsory
- You are not obliged to use the transport provided by Quest Employment
- There are NO ties or minimum time restrictions for using the transport service
- We reserve the right to change this amount and you will be notified by email should this amount change.
- If you require transport to a location with a cost above the amount stated below, this will be confirmed in your Assignment Schedule
- Transport when booked at your request and not used or cancelled in reasonable time. If Quest incurs a penalty fee for a no show or no pickup it is only fair that this cost is passed to the relevant employee.

Basic Transport Service & Cost Outline

For Quest Employment to operate a feasible transport service any flexible employee requesting the use of transport must be aware that the transport will collect & drop off employees at the nearest Quest Office. Where these guidelines are adhered to the transport fee will be as follows. Please initial below to agree to the amounts shown.

Quest office to an assignment OR an assignment to Quest office or agreed location (single journey)	£7.00
Quest Office to an assignment PLUS a return journey back to Quest office or agreed location	£14.00

By signing below, I am agreeing to pay Quest Employment for any transportation services I have used or requested following the guidelines as detailed above.
